Odakyu Electric Railway Co., Ltd.

Experience all the must-visit spots in Hakone in a single day!

Odakyu Launches Official Walking Tour with English-Speaking Guide

What Is CHECKBOX TOUR?

Odakyu Electric Railway Co., Ltd. has launched **Odakyu Official CHECKBOX TOUR with Guide**, a new guided day tour designed for international visitors who wish to explore the highlights of Hakone with ease.

Whether traveling solo or with family and friends, guests can enjoy a smooth, hassle-free journey, even on their first visit to Japan. With transportation, tickets, transfers, and travel arrangements taken care of in advance, English-speaking guides accompany guests throughout the day, introducing local history and culture while providing attentive support at every stage of the tour.

With a maximum of six participants and departures available for even a single guest, the tour offers a more personalized travel experience, helping visitors make the most of their limited time in Japan while discovering the history, landscapes, and culture beyond Tokyo.

Explore the Entire Hakone Loop in a Single Day

The **HAKONE CHECKBOX TOUR** takes guests through Hakone's most iconic sights in one seamless journey.

For guests departing from Shinjuku, the day begins aboard the Romancecar. The tour then follows the Hakone Loop, taking in Hakone Shrine, Lake Ashi, Owakudani, and the HAKONE OPEN-AIR MUSEUM. This carefully planned itinerary allows guests to experience historic landmarks, mountain scenery, volcanic landscapes, stunning lake views, and art surrounded by nature, all in a single day.

Experience a Variety of Transportation Options with the Hakone Freepass

The **HAKONE CHECKBOX TOUR** also offers guests the opportunity to experience a variety of transportation options covered by the Hakone Freepass.

Exclusive tour experiences include a cruise across Lake Ashi in the special cabin of the Hakone Sightseeing Cruise and a ride on the privately chartered Hakone Ropeway. In addition, the Hakone Tozan Bus, Hakone Tozan Cable Car, and Hakone Tozan Train connect major attractions, turning transportation itself into a memorable part of the journey.

Despite the variety of transportation options, guests can enjoy a hassle-free journey with an English-speaking guide, without having to navigate complex routes or arrange transfers themselves.
